Description

History

#1 - 01/03/2023 01:01 PM - Theo Stassen

- % Done changed from 0 to 80

The unit test is written, the problem is that it gives error (seems that the python response is correct but not the reference response i compute in idl

#2 - 01/03/2023 05:25 PM - Theo Stassen

Results are now similar (+/- 1% error)

#3 - 01/03/2023 05:38 PM - Theo Stassen

- % Done changed from 80 to 90

Unit test works, results are not perfect

#4 - 02/03/2023 10:32 AM - Theo Stassen

Unit test problem resolved, now the results are really good

#5 - 02/03/2023 10:32 AM - Theo Stassen

- % Done changed from 90 to 100

#6 - 02/03/2023 10:32 AM - Theo Stassen

- Status changed from New to Resolved
