

JUICE-SCM/Ground Segment - Task #4208

First version of a "time extract" method

27/10/2023 05:44 PM - Theo Stassen

Status:	Resolved	Start date:	25/10/2023
Priority:	Normal	Due date:	27/10/2023
Assignee:	Theo Stassen	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
revision:	r0		
Description			
First version of a "time extract" method, where you do not specify what file you want to open but a time interval. Works well, need some improvements (cut the no need parts and verifications).
