

JUICE-SCM/Ground Segment - Task #4258

Creation of a ruff pre commit hook

09/01/2024 06:43 PM - Theo Stassen

Status:	Resolved	Start date:	09/01/2024
Priority:	Normal	Due date:	09/01/2024
Assignee:	Theo Stassen	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
revision:	r0		
Description			
Now at each commit, there are pre commit hooks that are triggered before submit, which do basic check + ruff linter + ruff formater. This pre commit system enforce the cleanness and solidity of the code. The pre commit functionality will be extends if possible to doc, tests and more strict linter/formater rules
