

JUICE-SCM/Ground Segment - Task #4347

Add the temperature waveform to plot_data, as part of the default quicklook plot

08/04/2024 04:49 PM - Theo Stassen

Status:	Resolved	Start date:	03/04/2024
Priority:	Normal	Due date:	05/04/2024
Assignee:	Theo Stassen	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:		Spent time:	0.00 hour
revision:	r0		
Description			
Now the quicklook contains temperature (waveform) as last field, with the same epoch limits than the data waveform
